WINNSBORO BOYS TO BE IN CLEMSON LINE-UP THURSDAY

When Clemson and Carolina line up on the gridiron at the State Fair Thursday, two Winnsboro boys will be in the Clemson line up.

Tennant, a former Mount Zion star, will be at right guard. He is considered one of the best linemen that Clemson has this year and will be hard to stop from breaking through the line and downing the Carolina backs. Robinson, another old Mt. Zion star, will start the game at left half back. "Hump" is a good man in the back field. He is fast and is a good broken field runner. It can be expected of him to give a good account of himself.

Harvey, who will play center for the Tigers, is a Fairfield boy. He hails from Woodward. This young fellow played a good game against Center, three weeks ago and everybody is looking for great things from him Thursday.

From all indications there will be a big crowd on hand at the game from here to see these native sons play.

ROUND DOZEN BOOK CLUB

Mrs. J. F. McMaster was hostess to the Round Dozen Book Club on Tuesday afternoon. The roll call was answered with the names of prominent social leaders of today. Doty, J. M. Lyles, S. R. McMaster, John Morrow, D. C. Wylie, Gibson Wylie and Miss Sue Doty. A salad course with coffee was served.

MOUNT ZION AND KERSHAW BATTLE TO DRAW

Although outweighed fifteen pounds to the man, Mt. Zion outplayed Kershaw in every department of the game here last Friday, the game resulting in a draw 6 to 6.

The locals fought hard and showed that they had been well coached. Their line is light but they held like a stone wall when their goal was in danger. Johnson, the heady little quarterback, tore through the line and around the ends for long gains time after time. He ran his team well and also out-punted the Kershaw kicker. The Crowson brothers and Stevenson in the back field ran well with the ball. Hood, a substitute back field man, hit the line hard and gives promise of being a valuable man for the local Hi. Burley, Hendrix and Macfie in the line played good ball and time after time they broke through the line and threw the Kershaw backs for heavy losses. The whole team played classy ball, and will give the remaining teams that they play this season something to worry about.

Kershaw scored first in the second quarter when they completed two long forward passes, one of them being a double pass that went for thirty yards, placing the ball on the fifteen yard line. From there another pass was thrown to Hilton, the fleet little end for Kershaw, who went across for their only touchdown.

Mount Zion scored in the third quarter when they kicked and K. Crowson picked up the ball and raced across the goal line for Mt. Zion's touchdown. Try for point was missed.

After this quarter the play was in Kershaw's territory practically all the time.

Mount Zion plays York in York next Friday.

MEETING OF D. A. R.

The Thomas Woodward chapter of the D. A. R. held its October meeting on Friday afternoon at the home of Mrs. M. W. Doty. The hostesses were: Mrs. A. W. Brice and Mrs. M. W. Doty. The roll call was answered with incidents of early history of South Carolina. A very interesting paper on the early settlers of South Carolina was read by Miss Alice Doty. After a short business session a salad course with coffee was served.

GAINS 20 POUNDS FEELS LIKE A NEW WOMAN

"I have gained twenty pounds by taking Tanlac and feel like an entirely different person," declared Mrs. J. B. Bigger, highly esteemed resident of Lowell, N. C., R. F. D. No. 1.

"When I began taking Tanlac," she said, "I was so nervous and run-down I could hardly do a thing. My stomach was in wretched condition and everything I ate disagreed with me. Gas on my stomach gave me no end of trouble, and I often had headaches and dizzy spells so bad I would have to stop whatever I was doing and sit down or lie down. My sleep was so badly broken I would get up mornings as worn out as when I went to bed, and it seemed I simply could not get any relief.

"But now I never feel a trace of my old troubles, for Tanlac has made an end of them. I can eat anything I want without having indigestion afterwards. My nerves are steady. I sleep soundly and feel full of energy all the time. Several of my friends have taken Tanlac, too, and we all think it is simply grand."

Tanlac is sold by all good druggists.—Advertisement.

CHESTER COUNTY FAIR

Chester, S. C. Oct.—Extensive improvements have been made on the Chester fairgrounds since last year in preparation for the Big Chester County Fair, Oct. 31st to Nov. 3rd. Among the improvements is a new poultry building which provides room for 500 birds. Great interest is being taken in this feature.

An elaborate and spectacular amusement program has been arranged for this year and there is every indication of a record attendance. On the opening day the feature will be auto races and auto polo. This is one of the most expensive attractions ever brought to a county fair. The date for this is Tuesday, Oct. 31st.

The horse race for three days, Wednesday, Thursday and Friday, will be especially interesting this year. Two big free acts twice daily in front of the grand stand have been secured at considerable cost as an added attraction. The fair has also engaged a concert band for the four days. A football game will be played on Friday, Nov. 3rd, between Chester and Clinton.

The livestock, agricultural and educational exhibits will be larger than ever this year and will attract a great deal more interest. This will be Chester's largest fair and will include exhibits from several counties. Special rates have been announced on all railroads. The only charge will be fifty cents for general admission.

FOR SALE—The Tennant Hotel building, 25 rooms, and lot; half block from city hall; ideally located. To be sold for division among heirs. If interested write Mrs. J. J. Stover, Winnsboro, S. C. 29-32
